19. Now when he was risen early on was reported to the women who were with him, saying, "He is not here, as you said, but he has risen. Go and tell the disciples and the brethren that he is risen from the dead, and that he will go before you into Galilee. Behold, I have said to you." But they were afraid and did not believe what they said, for they were afraid.

TWELVE YEARS TOGETHER

We have enjoyed our twelve years together. The friendships that we have acquired are everlasting. Even though we didn't always appreciate the teacher's efforts and guidance, we realize now as we are about to enter the world of responsibility that without them we would be unprepared. For these reasons we shall never forget our twelve years together at Linden School.

JUDGING

FUTURE TEACHERS OF AMERICA

The main purposes of the Future Homemakers of America are: to promote a growing appreciation of the joys and satisfactions of home-making, to encourage democracy in home and community life, and to further interest in home economics.

To attain these goals and purposes and to become a national F.H.A. honor chapter, we carried out many individual and group activities. To achieve the goal of encouraging democracy in home and community life, we gave speeches, wore vote buttons, and volunteered to babysit for parents while they voted.

The highlight of the year and our most important social function, our annual F.H.A. Christmas Ball, was postponed on account of snow.
